EDUCATION

Netaji Subhas University of Technology

BTech in Computer Science CGPA- 7.51

Jan. 2021 – May 2025

New Delhi, India

Vardhaman International School

Class XII PCM - 87%

Jaipur, Rajasthan

May 2019 - May 2020

PROJECTS

Whatsapp Clone | MERN stack | [LINK](#) | [GITHUB](#)

- Developed WhatsApp clone with real-time messaging via Socket.IO for seamless communication.
- Integrated video calling functionality using simple-peer, enhancing user engagement and interactivity.
- Implemented secure user access and data protection using JWT access and refresh tokens
- Designed and implemented group chat features, facilitating effortless creation and participation in discussions.
- Utilized Redux and Redux Persist for efficient state management, ensuring seamless data persistence.

Portfolio | ReactJS, MongoDB, NodeJS | [LINK](#) | [GITHUB](#)

- Developed a portfolio website that will portray my resume, projects, skills and creativity.
- Used MongoDB a NoSQL database to store and manage data efficiently.
- Created animation effects to make the website look creative and living.

Forkify App | JavaScript, HTML, CSS | [LINK](#) | [GITHUB](#)

- Designed a food recipe searching Web App using JavaScript.
- Implemented Fetching data and Sending data back to API asynchronously.
- Implemented pagination to render only subset of fetched results on a page. User can navigate through different pages to access remaining search results.
- Implemented advanced JavaScript functionality to update/ rerender only the section of the Web App that user wanted to access instead of reloading whole page.

Snake Game | JavaScript | [LINK](#) | [GITHUB](#)

- Designed a snake game using JavaScript.
- Snake increases its speed on eating food and dies on eating itself or walls.

PROGRAMMING SKILLS

Languages: C++, JavaScript

Web Tools: HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, socket.io, Git Version Control, Github, Netlify

Computer Fundamentals: Operating System, Computer Network, OOPS, Database Management System, Data Structures and Algorithms.

WORK / EXTRACURRICULAR

District Level Basketball Tournament | Inter School

Led basketball team at district level finalist among 11 teams.

2019

Vardhaman International School Jaipur

ACHIEVEMENTS

- Solved LeetCode 700+ question with rating 1669.
- Cleared JEE Advanced out of 6.5 lakhs candidates scored 8990 category rank (OBC).
